

Resources For Breast & Gynecological Cancers

[Air Charity Network](#)

877-621-7177

<http://aircharitynetwork.org>

A network of charity organizations that help to **arrange transportation**

Provides access for people in need seeking **free air transportation** to specialized health care facilities or distant destinations due to family, community or national crisis.

[American Cancer Society](#)

800-227-2345

<http://www.cancer.org>

Provides national and community resources.

Connects cancer patients with resources, information, and assists with transportation through the Road to Recovery program.

[Angel Bus](#)

800-768-0238

<http://www.angel-bus.org>

Angel Bus is a nonprofit corporation dedicated to providing compassionate, non-emergency long-distance ground transportation to patients in need.

This program **provides transportation** services to any aged patients who have financial need for assistance, have been medically cleared to travel, who are mobile with little or no assistance, who do not have a communicable disease, and provide a pressure test approved bottle for oxygen if applicable. Angel Bus then matches each special need with a volunteer driver.

[Angel Flight](#)

918-749-8992

<http://www.angelflight.com>

We are a non-profit charitable organization of pilots, volunteers, and friends.

Arranges **free air transportation** for any legitimate, charitable, medically related need. This service is available to individuals, and health care organizations. We will also arrange transportation of those people who are financially distressed, or who are in a time-critical, non-emergency situation due to their medical condition.

[Angel Flight for Cancer Patients](#)

800-296-1217

<http://www.AngelFlightForCancerPatients.org>

A charitable patient travel agency.

Transportation and Travel Resources for cancer patients who are unable to afford long distance travel by air for required treatment.

[Brenda Mehling Cancer Fund](#)

661-310-7940

<http://www.bmcf.net/>

The purpose of the BMCF is to help young adults in treatment for cancer maintain self-respect and minimize the stress of associated financial challenges.

Supports patients 18-40 currently undergoing cancer treatment. It covers services to meet daily needs, such as home health care, temporary housing, **rent, insurance, and groceries**. The Fund also covers co-payments required by many health plans for medical care.

[Cancer Care](#)

800-813-4673

<http://www.cancercare.org>

CancerCare provides free, professional support services to individuals, families, caregivers, and the bereaved to help them better cope with and manage the emotional and practical challenges arising from cancer.
